

ASHRAE Twin Tiers Chapter Meeting September 17, 2019 ***Refrigeration & Donor Night***

Presentation:

Flame-free Refrigeration Fittings

Description: Flame-free fittings are gaining lots of traction in our industry and this presentation will explain why they're doing so and why you may want to specify them on your future projects. If you can guarantee your client a cleaner, faster, and safer install, why wouldn't you? The presentation will also include a demonstration to show how quickly and easily these fittings can be utilized.

This presentation is certified for 1 PDH!

Presenter:

Richard Reichenbach, Regional Manager, Parker Hannifin Corp., Sporlan Valve Div.

Mr. Reichenbach is Regional Manager for the NY-New England area for Parker Hannifin Corporation and Sporlan Valve. He earned his BSCE from Clarkson University in 1976. Throughout his 43 year in the HVAC industry Mr. Reichenbach has held several different positions including Project Engineer, Sales Engineer, Territory/Regional Manager, Business development growth, as well as Global Support and Training. He was a CM Member of RSES (Refrigeration Service Engineers Society) and is an ASHRAE Life Member since 1980.
