Corner

President's

Dear Twin Tiers Chapter Members,

I hope that you all had a wonderful Thanksgiving - the end of the year is rapidly approaching, and the holiday season is upon us. This is the time of year when ASHRAE is also in full swing; we have had two Chapter meetings and the Fall Engineering Symposium, and have many more gatherings scheduled for the coming months.

Devin Shapley has been doing a great job lining up interesting and informative programs for this year. We would like to thank all that came out to the "off day" meeting in November (Wednesday instead of Tuesday) and again congratulate Eric LePore and Pathfinder Engineers & Architects on receiving a 2019 ASHRAE Technology Award for the Koffman Southern Tier Incubator Building. Eric and Al had a very interesting presentation and discussed the building's systems, their operation, and the unique challenges faced during design, construction, and beyond.

Our next meeting on December 17th combines both a Distinguished Lecturer presentation and our Past President's Recognition and History night. The topic of discussion is "The Advanced Energy Design Guide for Zero Energy Buildings" presented by Paul Torcellini, Ph.D., ASHRAE DL. Paul is a 25-year ASHRAE member and has received two ASHRAE Technology Awards for his energy-efficient buildings work, and has been a key contributor to the Advanced Energy Design Guide Series, published by ASHRAE as a collaborative effort of AIA, ASHRAE, IES, and USGBC. He spoke to our chapter last year, and was regarded highly by those who attended. As such, we anticipate a great turnout for this informative meeting, so please mark the date in your calendars.

Our current officers and board of governors would also like to use the opportunity to say a special thank you to ALL our past Twin Tiers Chapter Presidents for their service and contributions to the chapter. Many of them are still involved in some capacity to-date. I am sure I speak on behalf of all our members when I express our gratitude and appreciation for all of the volunteered effort and time in helping build our Chapter to be what it is today.

Lastly, we would like to invite anyone who wants to get involved in some capacity with the Twin Tiers Chapter to discuss with Board Members any of our open Committee Positions. These positions are a great way to get more involved in the Chapter and in ASHRAE, and don't take up a great deal of time.

We look forward to seeing everyone at this month's meeting. Season's Greetings, and Happy Holidays!

ADVERTISE your business card:

- Current business card adds will expire at the end of this year, December 31, 2019.
- New subscription will run the calendar year 2020.
 - Cost to advertise for the 2020 year is \$50.
- Sign up now for the 2020 year On Pay Pal <http://twintiers.ashraechapters.org/page-newsletter.html>

Or Send Check and copy of business card to Twin Tier News Letter Editor:

Meier Supply Co.
Attn: Andrew Nice
275 Broome Corporate Parkway
Conklin, NY 13748

- Email a copy of your business card to [Twin Tier Newsletter Editor Email](mailto:Andrew.Nice@meiersupply.com).

From Web site please visit: <http://twintiers.ashraechapters.org/page-newsletter.html>

Go to the News Letter tab, and place your order to advertise your business card.

Business Card Advertising 2020

The Twin Tiers Chapter of ASHRAE can accept business card advertising with the following provisions:

- The company must be associated with HVAC&R technology.
- The company must be a local service provider, a local manufacturer, or a manufacturer's representative serving the area.

If you aren't sure, just ask.

We are now accepting business card advertisements for the newsletters that will be published in 2020. This is a great opportunity to get your name and business in front of the over 250 subscribers to our chapter newsletter. The price for the newsletter only is \$50 for the entire 2020 year.

Business card ads can be placed using a scanned electronic copy of your business card, or you can mail your card to me (please no staples or paper clips).

History Report - November

By
Rick Sanguinito Historian 2019-2020

November Meeting Summary

Date: November 20, 2019

Koffman Southern Tier Incubator Building

The November 2019 meeting was a at Koffman Southern Tier Incubator
120 Hawley St, Binghamton, NY 13901

Technical speaker was Eric LePore, P.E.

Attached are photos from the November ASHRAE meeting at the Koffman Southern Tier Incubator. Our group started with a tour of the fourth floor penthouse where Eric described many of the building systems in place, followed by a tour of the basement geothermal system pump room, then Eric LePore and Al Rodgers discussed the design process for the building and some of the challenges, lessons learned, and important advice that they wanted to impart based on their experiences designing the project. A Food and Fire buffet was served for dinner.

Members that attended included the following: Kyle Nedlik, Victoria Kramer, Michael Collins, Christopher Wolak, Andrew Nice, Matt Lloyd, Amanda Pelkey, Scott Burke, Glenn Roberts, Joe Ohara, Rick Breault, Eric LePore, Alyssa Partridge-Fox, Al Rodgers, Ibrahima Balde, Chris Hackett, Vince Knapp, Joe Crozier.

Twin Tiers ASHRAE H.O. Ward Scholarship

By
Rick Sanguinito H.O. Ward Scholarship Chairman 2018-2019

H. O. WARD SCHOLARSHIP

Date: December 05, 2019

Twin Tiers Chapter,

It has been some time since a scholarship could be offered. We would like to reestablish the scholarship opportunities for student members, children of members, grandchildren of members, nephews and nieces of members.

Please consider passing this application to your children or grandchildren. The program is guided for HVAC interest.

This would include but not limited to:

- HVAC trade school students
- Engineering students in building programs
- Engineering students with an interest to become a Professional Engineer (Mechanical)
- Engineering students in manufacturing (HVAC equipment)
- Engineering / trade school student that can demonstrate how their study relates to HVAC aspect like building trades, equipment manufacturing, research and development, HVAC maintenance, etc..

If you did not receive the application via our email and would like one please email us [HERE](#).

APPLICATIONS MUST BE SUBMITTED BY
FEBRUARY 15, 2020

American Society of Heating, Refrigerating, and Air-Conditioning Engineers, Inc.

December Chapter Meeting Announcement

December 17, 2019

ASHRAE Twin Tier December Chapter Meeting

DATE: Tuesday, December 17th, 2019

TIME: 5:00 PM

MEETING Ithaca Marriott on the Commons

LOCATION: 120 S. Aurora Street
Ithaca, NY 14850

SPEAKER: Paul Torcellini, Ph.D., ASHRAE Distinguished Lecturer

DESCRIPTION: Modelled after the successful 30% and 50% Advanced Energy Design Guides, the new series of guides focuses on the processes and strategies to achieve zero energy buildings at typical construction budgets. The series, published by ASHRAE, was a collaborative effort of AIA, ASHRAE, IES, USGBC, and DOE. The first book in the series was published in January 2018 and focuses on K-12 schools and includes several case studies of schools that meet the zero energy requirements. In process, is the 50% office guide. The lecture will focus on setting energy goals and the technologies that can help achieve these goals and will walk through the Guide. A sneak preview of what is coming in offices will also be presented.

AGENDA:
5:00 – 5:30: Arrivals & Networking
5:30 – 6:00: History, Past Presidents, & Chapter Meeting
6:00 – 7:30: Dinner & Presentation
7:30 – ?: YEA After Hours Networking Event (Location TBA)

REGISTRATION: You may pre-register by phone, e-mail, or online at:
<http://twintiers.ashraechapters.org/page-programs.html>
\$30.00 Early Registration (By 12/13/2019)
\$35.00 (After 12/13/2019)

CONTACT: Devin Shapley

Binghamton University ASHRAE Student Chapter

Dear Binghamton ASHRAE Sponsor,

The annual ASHRAE winter conference is the world's largest gathering of HVAC&R professionals to share academic and professional initiatives. Several events of interest include various student tours, multiple workshops and seminars, and an opening session featuring ASHRAE President Darryl K. Boyce and a keynote speech from Ed Hochuli. Attending this conference is a valuable opportunity for students to network with professional engineers in the field, as well as learn more about the HVAC&R industry through local plant tours, workshops, and seminars. This year, the conference is being held at the Orange County Convention Center in Orlando, Florida and the Binghamton Student Branch of ASHRAE is seeking funding to help curtail expenses so active students will be able to reap the benefits of attending. Three members of ASHRAE's executive board are hoping to attend this year's conference: Jalaal Shah-Taylor (President), Amanda Pelkey (Vice President), and Sean Bennett (Treasurer). Expenses for this trip would include roundtrip airfare from Syracuse to Florida, four nights at a hotel in the vicinity of the conference, registration fees, airport parking, t-shirts, and miscellaneous travel expenses. Such costs

Winter Conference, Expected Stay - 5 Days		
Expenditures	Per Person	Total
Flight	\$151.00	\$604.00
Hotel	\$94.00	\$752.00
Shirts	\$84.56	\$338.22
Tickets	\$30.00	\$120.00
Meals	\$66.00	\$330.00
Parking	\$25.00	\$100.00
Transportation	\$25.00	\$100.00
Tours	\$225.00	\$900.00
TOTAL	\$811.06	\$3,244.22

Because Binghamton ASHRAE is not yet chartered by Binghamton University's Student Association, it is difficult to obtain funding for this conference -- much of our funding requires the generosity of companies such as yours. Any amount of donation would be incredibly helpful, and the top five sponsors would earn advertising rights on our group's t-shirts. Each additional donation would allow for a proportional increase in advertising space. With these t-shirts, Binghamton ASHRAE would proudly display our sponsors as a thank you for your generosity, as well as showcase our pride and enthusiasm for being a chartered student branch.

American Society of Heating, Refrigerating, and Air-Conditioning Engineers, Inc.

Binghamton University ASHRAE Student Chapter

Donations can be made through <http://twintiers.ashraechapters.org/page-student-thankyou.html>. Here you will find PayPal buttons to make payments online. Checks would also be accepted, and can be mailed to the following address:

Jason A. Gilbert, P.E. Student Branch
 Advisor P.F. at Binghamton University
 4400 Vestal Parkway East (PO Box 6000)
 Binghamton, NY 13902-6000

As an official student branch, Binghamton ASHRAE is able to provide various opportunities for aspiring HVAC&R engineers to network and expand their knowledge of this field, and attending conference would be a valuable experience for our members. Thank you for your consideration.

Sincerely,
 Binghamton ASHRAE Executive Board
 Binghamton University
buashrae@gmail.com

TRAINING

New York State Professional Engineers **Self Study Ethics PDH Available!**

As a licensed professional in New York State, it is your professional responsibility to know the legal and ethical requirements governing the practice of your profession and to be alert to changes in those requirements. The New York State Board for Engineering and Land Surveying, in an effort to help you stay abreast of your professional responsibilities, has developed this short, self-study educational activity in ethics.

This educational activity is based on the New York State Education Law Articles 130 and 145, the Rules of the Board of Regents Parts 1, 3, 17, 18, 28, 29, 31, and the Regulations of the Commissioner of Education Parts 59 and 68. It is strongly recommended that, prior to taking the self test, you review these [foundational materials](http://www.op.nysed.gov/prof/pels/pelaw.htm) (<http://www.op.nysed.gov/prof/pels/pelaw.htm>) on the engineering web site.

Once you have reviewed the foundational materials, proceed to complete the self test below. When you have completed the self test, click the "Get your score" button at the bottom of the page. You should print this screen and save it as evidence of satisfactory completion of this educational activity. A score of 90% or greater will allow you to claim 1 Professional Development Hour (PDH) of educational activity credit in ethics ONCE in each three-year registration period. Retain your printed screen for no less than 6 years from the date of completion.

Take Your PE Ethics Self Test Here!

We welcome your feedback!

ASHRAE Mission Statement

ASHRAE will advance the arts and sciences of heating, ventilation, air conditioning, refrigerating and related human factors to serve the evolving needs of the public and ASHRAE members.

Ethics Requirement for PE

PE's in NYS will be required to have one hour of Ethics within their 36 hours of continuing education for registration periods beginning August 1, 2011 and after.

ASHRAE Vision Statement

ASHRAE will be the global leader in the arts and sciences of heating, ventilation, and air conditioning.

ASHRAE will be foremost authoritative, timely, and responsive source of technical and education information, standards and guidelines.

ASHRAE will be the primary provider of opportunity for professional growth, recognizing and adapting to changing demographics, and embracing diversity.

***Advancing HVAC&R to
serve humanity and pro-
mote a sustainable world"***
